

# 10 REASONS TO SUPPORT SARA GIDEON

1

## **Experienced**

She's serving her fourth term in the Maine House of Representatives and her second as Speaker of the House.

2

## **Respected**

She's worked across the aisle under Governors of both parties to pass key bipartisan legislation.

3

## **Protects Health Care Access**

She passed legislation to ensure that health insurance companies can't discriminate against Mainers with pre-existing conditions, even if the ACA is repealed.

4

## **Tough on Pharma**

She required pharmaceutical companies to increase drug pricing transparency and helped control the cost of prescription drugs.

5

## **Defends Reproductive Rights**

As Trump's judicial appointments threaten reproductive rights across the nation, she led the fight to protect and expand them in Maine.

6

## **Combats Poverty**

The LIFT and STEP legislation she passed with unanimous bipartisan support take on poverty in Maine by expanding safety net programs, access to food assistance, education, and job training.

7

## **Pro-Environment**

She restored \$38 million to energy efficiency funding, and passed the most aggressive goals the state has ever seen for reducing carbon emissions and increasing renewable energy production.

8

## **Pro-Worker**

She expanded job training programs to address Maine's workforce shortage, passed universal paid leave, and strengthened workers collective bargaining rights.

9

## **Fights Opioid Crisis**

She expanded Maine's addiction treatment programs and led a LePage veto override effort that made life-saving Narcan resources widely available.

10

## **Passed Property Tax Relief**

She passed a landmark bill to provide property tax refunds directly to Maine homeowners.

**Swing Left**
